Where Your Forever Begins

# About Us

Vows & Vines Vineyard is a family-owned winery and wedding destination set against panoramic lake views and rolling vineyard landscapes.

Our approach is rooted in natural beauty and understated elegance. As a working vineyard and winery, the setting speaks for itself — expansive views, open skies, and a sense of calm that allows celebrations to feel effortless rather than overproduced. Every detail is designed to complement the landscape, not compete with it.

Our team is hands-on and thoughtful, focused on creating an experience that feels seamless, welcoming, and refined. We believe the most memorable celebrations are those that feel grounded, beautiful, and genuinely enjoyed — shaped by the setting and the people gathered within it.
